Details

- This exhilarating theatrical experience is making its debut right in our backyard! Before it heads to New York City, we have a chance to see AND participate in this Scottish display of music and dance. This musical is about family, legacy, the power of stories, and having fun!
- The seats are General Admission and we will do our best to grab a group of seats (possibly at tables) on the Main Floor. Be prepared to join in the dances. They guarantee a good time for all.
- Re: payment. If you are coming to the Guest Speaker on Thursday, June 5 OR the picnic at Black Hill Regional Park on Tuesday, June 24, you can give Kathy O your check then. If you are NOT coming to the Guest Speaker nor to the picnic, please send your check in advance. We will be buying the tickets soon after the picnic. If we don't have your money, we won't be getting a ticket for you.
- Carpooling is highly recommended. Closer to the date, we will help coordinate this.

- And by the way, the Scottish pronounce ceilidh like the Irish pronounce ceili--- Kay-lee.
